

PHP Foundation Inc.

July 1, 2018

Dear Friends,

PHP Foundation Inc. is delighted to be the benefitting charity of the First Annual Golf Tournament fundraiser organized by Phoenix House Painting. This community organized event is very special to us and we are proud of the efforts made on our behalf. We hope you'll mark your calendars for this fun and worthwhile occasion on November 15th, 2018 at Moon Valley Golf Course.

We thank you in advance for your consideration and support. You can help by donating a raffle or silent auction item, participating as a sponsor, or by attending.

As a non-profit organization, PHP Foundation Inc., was started with the hopes that the foundation could help with raising awareness of the cancer issues that not only adults face on a daily basis but, also the children who fall prey to this horrible disease.

PHP Foundation is a 501 c (3) organization; tax identification number 82-1849210, we are a tax deductible organization.

Thank you for your consideration.

Sincerely,

John Morris
